Dear George,

**RE: US Patent Appln. Serial No. 09/762852  
Your Ref 0234/00070 - Ours: HLM/CE/J00024475US**

With reference to my letter of 17 May 2001, it has been called to my attention by Simon Hunt, the reluctant-to-sign inventor, that the document enclosed with my 17 May letter does give power of attorney to Media Logic to sign documents on Simon's behalf. According to Simon, therefore, he does not need to sign anything, it can be signed by Media Logic.

I am still working on Simon, but can you cast your eye over the document in question and let me know asap if it is any use for our purposes. In particular, would it enable a director of Media Logic to sign for Simon Hunt. I have my doubts, but if I hear it from you it will carry more persuasive power.

I look forward to hearing from you.

With best regards,

Yours sincerely,  
R.G.C. JENKINS & CO.
